

# Second Guessing (From Songland)

## Florida Georgia Line

Yeah, baby Blame it on my youth or my rebel roots  
Or the corner booths I called home  
One foot out the door, always stoppin' short  
Just before the fork in the road Couldn't jump into the deep end  
I was always overthinkin'  
Every minute, every hour, every weekend Since I met you, I  
I ain't spent one second guessin'  
I made up my mind  
I never knew, I  
Just had to find my direction  
Gettin' lost in your eyes  
Because I've turned days into nights  
And spent all of my life askin' questions  
Now I don't spend one second guessin'  
You turned on the lights  
Opened up my eyes to a world that I'd never seen  
I ain't lookin' back  
Worried 'bout the past or the future when you're with me Now I'm swimmin' in the deep end  
Ain't no need for overthinkin'  
Girl, you've givin' life a brand new kind of meanin' Since I met you, I  
I ain't spent one second guessin'  
I've made up my mind  
I never knew I  
Just had to find my direction  
Gettin' lost in your eyes  
Because I've turned days into nights  
And spent all of my life askin' questions  
Now I don't spend one second guessin' (I don't spend one second)  
Oh, yeah, one second guessin', yeah (I don't spend one second)  
Since I met you I  
I always knew right where I'm headed  
No doubt in my mind (Doubt in my mind)  
I never knew I  
Just had to find my direction  
Gettin' lost in your eyes (Lost in your eyes)  
Because I've turned days into nights  
And spent all of my life askin' questions  
Now I don't spend one second guessin' (I don't spend one second)  
I don't spend one second guessin' (I don't spend one second)  
One second guessin'
