

# Trumpets (feat. Sean Paul & Walshy Fire)

Sak Noel & Salvi

Bubble it  
Bubble it (set it!) You see that gal with the big tic tac she fi gimme the, gimme the  
Head to the floor gal gimme the, gimme the  
Bend over gal and gimme the, gimme the  
Slip don to the ground size big activity And roll me girl and gimme the, gimme the  
Top wine girl and gimme the, gimme the  
Body look fine girl gimme the, gimme the  
Come me nah waste no time girl gimme the, gimme the Body look good girl you ever be  
winnin' it  
Turn it up bright gal you never be dimming it  
Shake up your body cause you're in your element  
Pon your body me take up a permanent residence  
Rotate your body cause me love how you spinning it  
Rotate your body cause me love how you spinning it  
Rotate your body cause me love how you spinning it Make me trumpets blow!  
Make me trumpets blow! Mama stop watch when you bubble it, bubble it  
Serious thing it ain't no comedy, comedy  
Man them say you are the comedy, comedy  
So me want get some and come trouble it, trouble it Buzz to bokkkle a the bubbly, bubbly  
Call in two friend and then doubly, doubly  
Gal so hot she a bubble it, bubble it  
And she know what she got she a carry me remedy Body look good girl you ever be winnin' it  
Turn it up bright gal you never be dimming it  
Shake up your body cause you're in your element  
Pon your body me take up a permanent residence  
Sound the trumpets, sound the trumpets Rotate your body cause me love how you spinning it  
Rotate your body cause me love how you spinning it  
Rotate your body cause me love how you spinning it Make me trumpets blow!  
Make me trumpets blow! Bubbly, bubbly
