

All I Have

Jennifer Lopez

 Lovin' life and life is livin'
 It's very specialBaby, don't go, baby, don't go
 Baby, don't go, baby, don't goIt's such a shame but I'm leavin'
 Can't take the way you're mistreatin' me
 And it's crazy, but oh, baby
It don't matter, whatever, don't phase meI don't believe you wanna leave like this
 I don't believe I just had my last real kiss
 I do believe we'll laugh and reminisce
 Wait a minute, don't bounce, baby
 Let's talk about this messWell, I'm bouncin' and I'm out, son
 I gotta leave you alone
 'Cause I'm good, holdin' down my spot
 And I'm good, rappin' the girls on the block
 And I'm good, I got this thing on lock
 So without me you'll be fine, right?All my pride is all I have
 Your pride is what you had, baby girl, I'm what you have
 You'll be needin' me but too bad
Be easy, don't make decisions when you madThe path you chose to run alone
 I know you independent, you can make it on your own
 Here with me you had a home, oh, yeah
The time is of the essence, why spend it aloneSome nights I waited up for you
 Promises you made about comin' through
 So much time you wasted
 That's why I had to replace you
 It makes a cat nervous, the thought of settlin' down
 Especially me, I was creepin' all over town
 I thought my tender touch could lock you down
 I knew I had you, as cocky as it sounds
 The way you used to giggle right before I put it down
It's better when you're angry come here, I'll prove it now, come hereStop playin', you gamin'
 I gotta leave you alone'Cause I'm good, holdin' down my spot
 And I'm good, rappin' the girls on the block
 And I'm good, I got this thing on lock
 So without me you'll be fine, right?All my pride is all I have
 Your pride is what you had, baby girl, I'm what you had
 You'll be needin' me but too bad
Be easy, don't make decisions when you madThe path you chose to run alone
 I know you independent, you can make it on your own
 Here with me you had a home, oh, yeah
The time is of the essence, why spend it alonePeople make mistakes to make up, to break up, to
 wake up
 Cold and lonely chill baby you know me you love me

I'm like your homey instead of beef and confomy
I promise I'm not a phony, don't bounce baby console me, come here
Ain't nothin' you can say
to me that can change my mind
I gotta let you go now
And nothin' will ever be the same, do just be on your way
Go head and do your thang now
And there's no more to explain to me, you know
I know you game I'm not feelin' what you do
So I'm bouncin' and I'm out, son
I gotta leave you alone, yeah, yeah
All my pride is all I have
Your pride is what you had, baby girl, I'm what you have
You'll be needin' me but too bad
Be easy, don't make decisions when you mad
The path you chose to run alone
I know you independent, you can make it on your own
Here with me you had a home, oh, yeah
The time is of the essence, why spend it alone
All my pride is all I have
Your pride is what you had, baby girl, I'm what you had
You'll be needin' me but too bad
Be easy, don't make decisions when you mad
The path you chose to run alone
I know you independent, you can make it on your own
Here with me you had a home, oh, yeah
The time is of the essence, why spend it alone
