

# The Way (feat. Mac Miller)

## Ariana Grande

What we gotta do right here is go back, back in the town. I love the way you make me feel  
I love it, I love it  
I love the way you make me feel  
I love it, I love it Say, I'm thinking 'bout her every second, every hour  
Do my singing in the shower  
Picking petals off the flowers like  
Do she love me, do she love me not? (love me not)  
I ain't a player, I just crush a lot (crush a lot)  
I ain't a player (I just play her, I just play her) You give me that kind of something  
Want it all the time, need it everyday  
On a scale of one to ten I'm at a hundred  
Never get enough, I can't stay away  
If you want it, I got it, I got it everyday  
You can get whatever you need from me  
Stay by your side, I'll never leave you  
And I ain't going nowhere 'cause you're a keeper So don't you worry, baby, you got me I got a  
bad boy, I must admit it (hey)  
You got my heart, don't know how you did it (hey)  
And I don't care who sees it, babe  
I don't wanna hide the way I feel when you're next to me (hey) I love the way (I love the way  
you make me feel)  
I love the way (I love it, I love it)  
Baby, I love the way (I love the way you make me feel)  
Ooh, I love the way (I love it, I love it)  
The way you love me Oh, it's so crazy you get my heart jumping  
When you put your lips on mine  
And, honey, it ain't a question (q-question)  
'Cause, boy, I know just what you like  
So if you need it, I got it, I got it everyday  
Be your lover, your friend, you'll find it all in me  
Stay by your side, I'll never leave you  
And I ain't going nowhere 'cause you're a keeper So don't you worry, baby, you got me I got a  
bad boy, I must admit it (hey)  
You got my heart, don't know how you did it (hey)  
And I don't care who sees it, babe  
I don't wanna hide the way I feel when you're next to me (hey) I love the way (I love the way  
you make me feel)  
I love the way (I love it, I love it)  
Baby, I love the way (I love the way you make me feel)  
Ooh, I love the way (I love it, I love it)  
The way I love you Uh, I make you feel so fine, make you feel so fine  
I hope you hit me on my celly when I sneak in your mind

You're a princess to the public, but a freak when it's time  
Said your bed be feeling lonely,  
So you're sleeping in mine.  
Come and watch a movie with me,  
"American Beauty" or "Bruce Almighty" that's groovy,  
Just come and move closer to me  
I got some feelings for you,  
I'm not gonna get bored of  
But, baby, you're an adventure  
So please let me come explore you  
So let me come and explore you So don't you worry, baby, you got me I got a bad boy, I must  
admit it (hey)  
You got my heart, don't know how you did it (hey)  
And I don't care who sees it, babe  
I don't wanna hide the way I feel when you're next to me (hey) I love the way (I love the way)  
I love the way (I love the way you make me feel)  
I love the way (I love it, I love it)  
Baby, I love the way (I love the way)  
Ooh, I love the way (I love it, I love it) I love the way (I love the way you make me feel)  
I love the way (I love it, I love it)  
Baby, I love the way (I love the way you make me feel)  
Ooh, I love the way (I love it)  
The way I love you The way I love you, (you), you, you, yeah, the way I love the way you make  
me feel  
I love it, I love it  
I love the way you make me feel  
I love it  
The way I love you.
