

# Praying

Kesha

Well, you almost had me fooled  
Told me that I was nothing without you  
Oh, but after everything you've done  
I can thank you for how strong I have become 'Cause you brought the flames and you put me  
through hell

I had to learn how to fight for myself  
And we both know all the truth I could tell  
I'll just say this is I wish you farewell I hope you're somewhere praying, praying  
I hope your soul is changing, changing  
I hope you find your peace  
Falling on your knees, praying

I'm proud of who I am  
No more monsters, I can breathe again  
And you said that I was done  
Well, you were wrong and now the best is yet to come  
'Cause I can make it on my own  
And I don't need you, I found a strength I've never known  
I've been thrown out, I've been burned  
When I'm finished, they won't even know your name You brought the flames and you put me  
through hell

I had to learn how to fight for myself  
And we both know all the truth I could tell  
I'll just say this is I wish you farewell I hope you're somewhere praying, praying  
I hope your soul is changing, changing  
I hope you find your peace  
Falling on your knees, praying  
Oh, sometimes, I pray for you at night  
Someday, maybe you'll see the light

Oh, some say, in life, you're gonna get what you give  
But some things, only God can forgive I hope you're somewhere praying, praying  
I hope your soul is changing, changing  
I hope you find your peace  
Falling on your knees, praying
