

# bad vibes forever (feat. PnB Rock & Trippie Redd)

## XXXTENTACION

Ooh-ooh-ooh, get your grind on tonight, grind on tonight, in the end  
Nigga, eyes rollin' in my brain, what we gon' do?  
I can barely keep control Catch the vibe of me, get the feel of me, in front of me Ooh-ooh-ooh,  
got you grindin' all or nothin'  
Grindin' all or nothin', in the end  
Nigga, eyes rollin' in my brain, what we gon' do?  
I can barely keep control  
Catch the vibe of me, get the feel of me, in front of me I said, hey, put your pride right to the  
side (Yeah)  
I can waste your time  
Or I can change your life, I said now  
Oh, shawty, where you goin'?  
I just need one moment  
So baby, keep your focus  
I said stay, stay, babe  
Stay, stay with me  
Stay, stay, babe  
Please don't run away  
Please don't stray away Ooh-ooh-ooh, get your grind on tonight, grind on tonight, in the end  
Nigga, eyes rollin' in my brain, what we gon' do?  
I can barely keep control  
Catch the vibe of me, get the feel of me, in front of me  
(Oh, yeah) Ooh-ooh-ooh, I can barely keep control  
When you're grindin' all on me ridin' all on me  
Girl, you take my soul, yeah (Yeah)  
Ooh-ooh-ooh, you look like the girl of my dreams  
My heart is on lock, need a key  
It's right in your pocket, you see  
Lost sense, no stress  
I ain't tryna hold you back  
Ice on, who bought you that?  
Don't want you to go out sad  
Girl, you know I'm fallin' for you (Yeah)  
And girl, you know I'm all in for you (Yeah)  
And I'm in love with you, everything you do Ooh-ooh-ooh, get your grind on tonight, grind on  
tonight, in the end  
Nigga, eyes rollin' in my brain, what we gon' do?  
I can barely keep control  
Catch the vibe of me, get the feel of me, in front of me
