

# Lay Down Sally

[Eric Clapton](#)

There is nothing that is wrong  
In wanting you to stay here with me  
I know you've got somewhere to go  
But won't you make yourself at home and stay with me?  
And don't you ever leave Lay down, Sally and rest here in my arms  
Don't you think you want someone to talk to?  
Lay down, Sally, no need to leave so soon  
I've been trying all night long just to talk to you  
Sun ain't nearly on the rise  
We still got the moon and stars above  
Underneath the velvet skies love is all that matters  
Won't you stay with me? Don't you ever leave Lay down, Sally and rest here in my arms  
Don't you think you want someone to talk to?  
Lay down, Sally and no need to leave so soon  
I've been trying all night long just to talk to you I long to see the morning light  
Coloring your face so dreamily  
So don't you go and say goodbye  
You can lay your worries down and stay with me  
Don't you ever leave  
Lay down, Sally and rest here in my arms  
Don't you think you want someone to talk to?  
Lay down, Sally there's no need to leave so soon  
I've been trying all night long just to talk to you  
Lay down, Sally and rest here in my arms  
But don't you think you want someone to talk to?  
Lay down, Sally there's no need to leave so soon  
I've been trying all night long just to talk to you
