## Lay Down Sally

## **Eric Clapton**

There is nothing that is wrong In wanting you to stay here with me I know you've got somewhere to go But won't you make yourself at home and stay with me? And don't you ever leaveLay down, Sally and rest here in my arms Don't you think you want someone to talk to? Lay down, Sally, no need to leave so soon I've been trying all night long just to talk to you Sun ain't nearly on the rise We still got the moon and stars above Underneath the velvet skies love is all that matters Won't you stay with me? Don't you ever leaveLay down, Sally and rest here in my arms Don't you think you want someone to talk to? Lay down, Sally and no need to leave so soon I've been trying all night long just to talk to youI long to see the morning light Coloring your face so dreamily So don't you go and say goodbye You can lay your worries down and stay with me Don't you ever leave Lay down, Sally and rest here in my arms Don't you think you want someone to talk to? Lay down, Sally there's no need to leave so soon I've been trying all night long just to talk to you Lay down, Sally and rest here in my arms But don't you think you want someone to talk to? Lay down, Sally there's no need to leave so soon I've been trying all night long just to talk to you Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
