

# Get Back Up

## Airbourne

Let the world down fall and see if I care  
I see the all pretend but I know who I am  
Coz I work all day and I rock all night  
Don't try to stop me, unless you're ready to fight  
You can knock me down  
But I'll still be here  
In the final round  
Coz I Get Back Up  
One more time then you knock me down  
I Get Back Up  
You can't keep me down  
You look down on me, I don't look up to you  
It's the same old school give me something new  
Coz you try, try, try to get in my way  
But I know what I've got and ya can't take it away  
You can knock me down  
But I'll still be here  
In the final round  
Coz I Get Back Up  
One more time then you knock me down  
I Get Back Up  
Every time that you knock me down I get up  
That's right  
C'mon I gotta get back up (GUITAR SOLO)  
You can knock me down  
But I'll still be here  
In the final round  
Coz I Get Back Up  
One more time then you knock me down  
I Get Back Up  
You can't keep me down  
Coz I Get Back Up  
Get Back Up  
Coz I Get Back Up  
I Get Back Up  
You can't keep me down
