

Christmas in Killarney

Bing Crosby

The holly green
The ivy green
The most beautiful picture you've ever seen
It's Christmas in Killarney
With all of the folks at home
It's nice you know to kiss your bow and huddling under the mistletoe
Though Santa Clause you know of course is one of the folks from home
The door is always open
The neighbors pay a call
And father John before he's
gone will bless the house and all
How grand it feels to click your heels
and join in the fun of the jigs and reels
It's Christmas in Killarney
The likes you've never known
It's Christmas in Killarney
With all of the folks at home
Christmas in Killarney is wonderful to see
Now listen to my story
And I'll take you back with me
The holly green the ivy green the
most beautiful picture you've ever seen
It's Christmas in Killarney with all of the folks at home it's
nice you know to kiss your bow while cuddling under the mistletoe
Then Santa Clause you know of course is one of the folks from home
The door is always open
The neighbors pay a call
And father John before he's gone
Will bless the house and all
How grand it feels to kick your heels
and join in the fun of the jigs and reels
I'm handing you no blarney
The likes you've never known
It's Christmas in Killarney with all of the folks at home
The door is always open
The neighbors pay a call
And father John
before he's gone
will bless the house and all
How grand it feels to click your heels
and join in the fun of the jigs and reels
I'm handing you no blarney

The likes you've never known
It's Christmas in Killarney with all of the folks at hooooome.
