Express Yourself

Labrinth

i'm jealous of the rain
That falls upon your skin
It's closer than my hands have been
I'm jealous of the rainI'm jealous of the wind
That ripples through your clothes
It's closer than your shadow
I'm jealous of the wind

Because I wished you the best of All this world could give

And I told you when you left me

There's nothing to forgive

But I always thought you'd come back

Tell me all you had found

Was heartbreak and misery

It's hard for me to say

I'm jealous of the way you're happy without meI'm jealous of the nights

That I don't spend with you

I'm wondering who you lay next to

I'm jealous of the nightsI'm jealous of the love

Love that was in here

Gone for someone else to share

I'm jealous of the loveBecause I wished you the best of

All this world could give

And I told you when you left me

There's nothing to forgive

But I always thought you'd come back

Tell me all you had found

Was heartbreak and misery

It's hard for me to say

I'm jealous of the way you're happy without meAs I sink in the sand Watch you slip through my handsOh, as I die here another day

Because all I do is cry behind this smile

Because I wished you the best of

All this world could give

And I told you when you left me

There's nothing to forgive

But I always thought you'd come back

Tell me all you had found

Was heartbreak and misery

It's hard for me to say

I'm jealous of the way you're happy without me

It's hard for me to say

I'm jealous of the way you're happy without me
