

Change Partners

Frank Sinatra & Antônio Carlos Jobim

Must you dance every dance
With the same fortunate man?
You have danced with him since the music began
Won't you change partners and dance with me?
Must you dance quite so close
With your lips touching his face?
Can't you see I'm longing to be in his place?
Won't you change partners and dance with me?
Ask him to sit this one out
While you're alone
I'll tell the waiter to tell him
He's wanted on the telephone
You've been locked in his arms
Ever since heaven knows when
Won't you change partners and then
You may never want to change partners again
