When We Were Young (feat. The Chain Gang of 1974)

Dillon Francis & Sultan + Shepard

I know your hopes and dreams they will collide,

Take all your things you'll go and run and hide,

Do you remember how it felt when we were young,

Do you remember how it felt when we were young. Today we have the chance to feel again

To hear the sounds that brought us in

To laugh, to cry, to live again. Today we have the chance to feel again

To hear the sounds that brought us in

To laugh, to cry, to live again

Like when we were young.

Like when were young

Like when were youngI know your hopes and dreams they will collide,

Take all your things you'll go and run and hide,

Do you remember how it felt when we were young,

Do you remember how it felt when we were young. Today we have the chance to feel again,

To hear the sounds that brought us in,

To laugh, to cry, to live again. Today we have the chance to feel again,

To hear the sounds that brought us in,

To laugh, to cry, to live again,

Like when were young. Were young, were young, were young

Were young, were young, were young

Were young, were young, were young

Were young, like when we were young

Like when were young

Like when were young

Like when were young

Like when were young
