## Walk Off the Earth

What is bravery but the body's wisdom of its strength?  
The coward and the hero march together within every man Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Ha! I learned guitar just to play you this song  
I took français just to give you le monde  
I'll jack you a car even though it's wrong, woah-oh, woah-oh (ju, ha)  
I'll peel you a grape and I'll feed you a prawn  
I'll bake you a cake and I'll water your lawn  
I use the crummy paddle when we play ping-pong, woah-oh, woah-oh  
(Say, I say)  
Don't you ever worry 'bout a thing  
'Bout a thing, no  
Don't you ever worry 'bout a thing  
'Bout a thing, no  
'Cause I'ma gonna give you everything, everything  
I got your back I'm taking taekwondo  
If people mess with you  
I'll kick 'em with my toe  
I got the situation under control  
You know I'll always be your lifelong beau I said, 'cause you're my number one (oh, oh, oh, oh,  
oh, oh)  
You're my number one (oh, oh, oh, oh, oh, oh)  
I got your back for sure (oh, oh, oh, oh, oh, oh)  
You know I'll always be your lifelong beau (say)  
I grew you some kale 'cause you don't eat meat  
I like your pictures and I'll favorite your tweets  
I harvest silkworms just to make you some sheets, woah-oh, woah-oh (Say, I say)  
Don't you ever worry 'bout a thing  
'Bout a thing, no  
Don't you ever worry 'bout a thing  
'Bout a thing, no  
'Cause I'ma gonna give you everything, everything  
I got your back I'm taking taekwondo  
If people mess with you  
I'll kick 'em with my toe  
I got the situation under control  
You know I'll always be your lifelong beau  
I say, I say, I'm taking taekwondo  
If people mess with you  
I'll kick 'em with my toe  
I got the situation under control

You know I'll always be your lifelong beau I said, 'cause you're my number one (oh, oh, oh, oh,  
oh, oh)

You're my number one (oh, oh, oh, oh, oh, oh)

I got your back for sure (oh, oh, oh, oh, oh, oh)

You know I'll always be your lifelong beau

(Say, I say) I'ma break it down in the rap part

'Cause you're my half-heart, the poem in my hallmark

Cardiac arrest'll hit the chest of any man with willingness

To mess with the mistress

I will throw a kick to your voicebox

My tiger claw will knock your socks off

Any tough chopper was a death strap?

We'll be lying

Flat on the back in a turnwheel I'm taking taekwondo

If people mess with you

I'll kick 'em with my toe

I got the situation under control

You know I'll always be your lifelong beau

I say, I say, I'm taking taekwondo

(He's taking taekwondo)

If people mess with you

I'll kick 'em with my toe

(He's gonna kick you with his big toe)

I got the situation under control

You know I'll always be your lifelong beau I said, 'cause you're my number one

('Cause you're my number one)

You're my number one

('Cause you're my number one)

I got your back for sure

(I got your back, you know)

You know I'll always be your lifelong beau

(Say, I say) Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh The coward and the hero march together within every man
