6ix9ine & Akon

Just wanna see my daughter, 'cause-[Chorus: Akon]
I'm locked up, they won't let me out

I'm locked up, they won't let me out
Never thought I'd be caught up in these streets, yeah
Locked up, they won't let me out, no
They won't let me out

[Verse 2: Akon]

And while that money pile up high
Jealous niggas askin' questions Why not us (Yeah-eh)
And when you get caught up, nobody wanna...
