

Great Summer

Vance Joy

Coming to your house
Knocking at your door
You mind a sip of wine?
You cool me, cool me down
Do you know me
You know me, you know me
Do you know me now?
Do you love me, you love me, you love me
Do you love me now? Oh
Left your clothes next to the bed
Some pretty pictures in my head
I hope you had a great summer
A great summer away
Now I'm in the dark
Not so used to doubt **
You mind a cigarette? **
As you call me, you call me down
Do you love me, you love me, you love me
Do you love me now?
Do you feel me, you feel me, you feel me
Do you feel me now? Oh
Left your clothes next to the bed
Some pretty pictures in my head
I hope you had a great summer
A great summer away The kid you used to be
Well, I know that you're still there
I hope you had a great summer
A great summer away
Why'd I let you go?
Why'd I let you go?
Why'd I let you go?
Why? Why'd I let you go?
Why'd I let you go?
Why'd I let you go?
Why? Left your clothes next to the bed
Some pretty pictures in my head
I hope you had a great summer
A great summer away The kid you used to be
Well, I know that you're still there
I hope you had a great summer
A great summer away
Left your clothes next to the bed

Some pretty pictures in my head
I hope you had a great summer
A great summer away
The kid you used to be
Well, I know that you're still there
I hope you had a great summer
A great summer away
