

# Even in the Shadows

Enya

Even in the shadows  
I turn around  
To find you walk away  
And even when I whisper  
The winds will come  
To steal the words I say I could fall and keep on falling  
I could call and keep on calling  
Wonder why this love is over  
Wonder why it's not forever more  
Even in the silence  
I hear my heart  
It's still a part of you  
And even in the morning  
When light has come  
I don't know what to do So high, so low  
I could fall and keep on falling  
I could call and keep on calling  
Wonder why this love is over Wonder why it's not forever  
So high, so low  
I could fall and keep on falling  
I could call and keep on calling  
Wonder why this love is over  
Wonder why it's not forever more  
I could fall and keep on falling  
I could call and keep on calling  
Wonder why this love is over  
Wonder why it's not forever  
I could fall and keep on falling  
I could call and keep on calling  
Wonder why this love is over  
Wonder why it's not forever more
