

# King Without a Crown

## Matisyahu

You're all that I have and you're all that I need  
Each and every day I pray to get to know you please  
I want to be close to you, yes I'm so hungry  
You're like water for my soul when it gets thirsty  
Without you there's no me  
You're the air that I breathe  
Sometimes the world is dark and I just can't see  
With these, demons surround all around to bring me down to negativity  
But I believe, yes I believe, I said I believe  
I'll stand on my own two feet  
Won't be brought down on one knee  
Fight with all of my might and get these demons to flee  
Hashem's rays fire blaze burn bright and I believe  
Out of darkness comes light, twilight unto the heights  
Crown Heights burnin' up all through the twilight  
Said, thank you to my G-d, now I finally got it right  
And I'll fight with all of my heart, and all a' my soul, and all a' my might  
What's this feeling?  
My love will rip a hole in the ceiling  
I Give myself to you from the essence of my being Sing to my G-d, songs of love and  
healing Want Moshiach now so it's time we start revealing What's this feeling? My love will rip a  
hole in the ceiling  
I Give myself to you from the essence of my being and I Sing to my G-d, songs of love and  
healing  
Want Moshiach now  
Strip away the layers and reveal your soul  
Got to give yourself up and then you become whole  
You're a slave to yourself and you don't even know  
You want to live the fast life but your brain moves slow  
If you're trying to stay high then you're bound to stay low  
You want G-d but you can't deflate your ego  
If you're already there then there's nowhere to go  
If you're cup's already full then its bound to overflow  
If you're drowning in the water's and you can't stay afloat  
Ask Hashem for mercy and he'll throw you a rope  
You're looking for help from G-d you say he couldn't be found  
Searching up to the sky and looking beneath the ground  
Like a King without his Crown  
Yes, you keep fallin' down You really want to live but can't get rid of your frown  
Tried to reach unto the heights and wound bound down on the ground  
Given up your pride and the you heard a sound Out of night comes day and out of day comes  
light Nullified to the One like sunlight in a ray

Makin' room for his love and a fire gone blaze  
What's this feeling?  
My love will rip a hole in the ceiling

Givin' myself to you from the essence of my being  
Sing to my G-d, songs of love and healing  
Want Moshiach now so it's time we start revealing  
What's this feeling?

My love will rip a hole in the ceiling  
Givin' myself to you from the essence of my being  
Sing to my G-d, songs of love and healing

Want Moshiach now  
Said I lift up mine eyes  
where mine help come from  
and I seen it circling on down  
from the mountain.

Thunder, ya feel it in your chest.  
Ya keep my mind at ease  
and my soul at rest and not vexed.

I look to the sky  
where mine help come from  
seen it circling on down from the mountain.

Thunder, ya feel it in your chest  
Ya keep my mind at ease  
and my soul at rest and not vexed
