Rain in the Summertime

The Alarm

Under the anvil of the sun Sweat, like a train I come, I come, My body to dust Scorched by the might of the sunBurning light, burning white heat Like wildfire I sweat a fever My body screams Disintegrates in the heatOur love is the FAITH that keeps on burningI love to feel the RAIN IN THE SUMMERTIME I love to feel the rain on my face I love to feel the RAIN IN THE SUMMERTIME I love to feel the rain on my face Burnt at the stake, on a bed of fire My body rises Taking me higher My loves desire Is pure ascension fireAnd love is the FAITH that keeps on burningI love to feel the RAIN IN THE SUMMERTIME I love to feel the rain on my face I love to feel the RAIN IN THE SUMMERTIME I love to feel the rain on my faceAnd then I run 'til the breath tears my throat 'Til the pain hits my side As if I run fast enough I can leave all the pain and the sadness behind I love to feel the RAIN IN THE SUMMERTIME I love to feel the rain on my face I love to feel the RAIN IN THE SUMMERTIME I love to feel the rain on my face (I love to feel the rain on my face) (In the summertime)
