## Her Diamonds

## **Rob Thomas**

Oh what the hell she says I just can't win for losing And she lays back downMan there's so many times I don't know what I'm doin' Like I don't know nowBy the light of the moon, she rubs her eyes Says it's funny how the night can make you blind I can just imagineAnd I don't know what I'm supposed to do But if she feels bad then I do too So I let her beAnd she says ooh I can't take no more Her tears like diamonds on the floor And her diamonds bring me down Cause I can't help her now She's down in it She tried her best but now she can't win It's hard to see them on the ground Her diamonds falling downway down She sits down and stares into the distance And it takes all night And I know I could break her concentrationBut it don't feel right By the light of the moon, she rubs her eyes Sits down on the bed and starts to cryAnd there's something less about her And I don't know what I'm supposed to do So I sit down and I cry tooBut don't let her see And she says ooh, I can't take no more Her tears like diamonds on the floor And her diamonds bring me down Cause I can't help her now She's down in it She tried her best but now she can't win It's hard to see them on the groundHer diamonds falling down She shuts out the night Tries to close her eyes If she can find daylight Then she'll be alright, she'll be alrightJust not tonight And she says ooh, I can't take no more Her tears like diamonds on the floor And her diamonds bring me downCause I can't help her now She's down in it She tried her best but now she can't win It's hard to see them on the groundHer diamonds falling Ooh. I can't take no more Her tears like diamonds on the floor

But her diamonds bring me downCause I can't help her now She's down in it She tried her best but now she can't win It's hard to see them on the ground Her diamonds falling down I can't take no more Diamonds on the floor No more, no more, no more Diamonds falling down I can't take no more Diamonds on the floor No more, no more, no more Diamonds falling down I can't take no more Diamonds on the floor (No more, no more) Her diamonds falling, all her diamonds Diamonds falling down I can't take these diamonds falling down Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
