Her Diamonds

Rob Thomas

Oh what the hell she says
I just can't win for losing
And she lays back downMan there's so many times
I don't know what I'm doin'
Like I don't know nowBy the light of the moon, she rubs her eyes
Says it's funny how the night can make you blind
I can just imagineAnd I don't know what I'm supposed to do
But if she feels bad then I do too
So I let her beAnd she says ooh I can't take no more
Her tears like diamonds on the floor
And her diamonds bring me down
Cause I can't help her now
She's down in it

She tried her best but now she can't win It's hard to see them on the ground Her diamonds falling downway down She sits down and stares into the distance And it takes all night

And I know I could break her concentrationBut it don't feel right
By the light of the moon, she rubs her eyes
Sits down on the bed and starts to cryAnd there's something less about her

And I don't know what I'm supposed to do
So I sit down and I cry tooBut don't let her see
And she says ooh, I can't take no more
Her tears like diamonds on the floor
And her diamonds bring me down

Cause I can't help her now She's down in it

She's down in it

She tried her best but now she can't win It's hard to see them on the groundHer diamonds falling down

She shuts out the night Tries to close her eyes If she can find daylight

Then she'll be alright, she'll be alrightJust not tonight
And she says ooh, I can't take no more
Her tears like diamonds on the floor

And her diamonds bring me downCause I can't help her now She's down in it

She tried her best but now she can't win
It's hard to see them on the groundHer diamonds falling
Ooh, I can't take no more
Her tears like diamonds on the floor

But her diamonds bring me downCause I can't help her now

She's down in it

She tried her best but now she can't win

It's hard to see them on the ground

Her diamonds falling down

I can't take no more

Diamonds on the floor

No more, no more, no more

Diamonds falling down

I can't take no more

Diamonds on the floor

No more, no more, no more

Diamonds falling down

I can't take no more

Diamonds on the floor

(No more, no more)

Her diamonds falling, all her diamonds

Diamonds falling down

I can't take these diamonds falling down
