

Tribute

Tenacious D

This is the greatest and best song in the world...
Tribute.

Long time ago me and my brother Kyle here
We was hitchhiking down a long and lonesome road.

All of a sudden

There shined a shiny demon

In the middle of the road

And he said! Play the best song in the world, or I'll eat your souls... (souls)

Well me and Kyle

we looked at each other

And we each said

Okay. And we played the first thing that came to our heads

Just so happened to be

The best song in the world

It was the best song in the world.

Look into my eyes and it's easy to see

One and one makes two, two and one makes three

It was destiny.

Once every hundred thousand years or so

When the sun doth shine

And the moon doth glow and the grass doth grow. Needless to say

The beast was stunned.

Whip-crack went his whoopy tail

And the beast was done.

He asked us

Be you angels?

And we said nay

We are but men

Rock! Ah, ah, ah, oh, wo, a-yo!

This is not the greatest song in the world, no.

This is just a tribute!

Couldn't remember the greatest song in the world, yeah - no!

This is a tribute!

To the greatest song in the world

Alright!

It was the greatest song in the world

Alright!

This is the best motherfuckin' song, the greatest song in the world all right!! (a capella)... lucifer...

And the peculiar thing is this my friends

The song we sang on that fateful night! It didn't actually sound anything like this song!

This is just a tribute!

You gotta believe me

And I wish you were there
Just a matter of opinion.
and ohh what the fuck!
Good God
Gotta love him
I'm so surprised to find you can't stop me now
the fiery ring of fire
rittsss mother-fucking the greatest song
Alright!
Alright!
