

The Ghost

NIVIRO

I can see you from behind
You can hear me in your mind
Run so fast as you can go
Time will catch you before you know. Are you afraid of the dark?
Are you scared?
I am you. I'm coming closer
I will catch you
The time, it goes
Tick tack, tick tack, tick tack.
Are you afraid of the dark?
Are you scared?
I am youuu.
