

Sorry (Remix, Pt. 2) [feat. Future]

Ciara

All I wanna say...
Girl I wanna say...
I'm saying that I'm sorry...Ooh ooh, ooh, oohAugust 4th, we were chilling at the house
Said I'm done, I told you to get out
Didn't mean a word that I said
Cause I was hoping you would come backCause I tried and tried
And I cried and cried
Up late at night and I hurt
And I tried to fight and I cried to god
Oh please let it just work
And I'm going crazy with you
You got me so confused
Cause you walked away, and I walked away
And we should've stayed baby
All you have to do is say that I'm sorry
Baby I'm sorry
And I'm in love with you
Baby I want this, baby I want this
Say baby I'll do what it takes
And I will be here all the way baby
All you have to do is say that I'm sorry
Baby I'm sorryYou wanna know if I was moving on without you
I miss you, miss you, miss you, I miss you
To tell the truth i've thinking bout you lately
I miss you, miss you, miss you, I miss youChristmas day, you said you had a ring
But you changed your mind
Too caught up in the streets
Boy your truth is hard to believe
Why are you really scared of me
Cause I tried and tried
And I cried and cried
Up late at night and I hurt
Cause I put in mine, I worked all the time
And you never put in your work
And I'm going crazy with you
You got me so confused
Cause you walked away, and I walked away
And we should've stayed baby
All you have to do is say that I'm sorryBaby I'm sorry
And I'm in love with you
Baby I want this, baby I want this
Say baby i'll do what it takesAnd I will be here all the way baby

All you have to do is say that I'm sorry
Baby I'm sorry
You wanna know if I was moving on without you I miss you, miss you, miss you, I miss you
To tell the truth i've thinking bout you lately
I miss you, miss you, miss you, I miss you
I miss the way you hold me The way you touch me
I miss the way you kiss me yeah
All you have to do is say that I'm sorry Baby I'm sorry
And I'm in love with you
Baby I want this, baby I want this
Say baby i'll do what it takes
And I will be here all the way baby
All you have to do is say that I'm sorry
Baby I'm sorry
You know I think about you sometimes
I wonder how you are
Are you happy
You see I know
What we had was special
And I know you know it too
I miss you
I really miss you...
