

Where Is My Mind

Placebo

Oooooohh
Oooooohh
Oooooohh
Oooooohh With your feet on the air and your head on the ground
You try this trick and spin it
Yeah (yeah)
Your head will collapse
And there's nothing in it
And you'll ask yourself Where is my mind
Where is my mind
Where is my mind
Where is my mind
Way out
In the water, see her swimming I was swimming in the Caribbean
The animals would hide behind the rocks
Except the little fish
When they told me east is west
As they tried to cry Where is my mind
Where is my mind
Where is my mind
Where is my mind Way out
In the water, see them swimming With your feet on the air and your head on the ground
Try this trick and spin it, yeah
Your head will collapse
And there's nothing in it
And you'll ask yourself
Where is my mind
Where is my mind
Where is my mind
Where is my mind
Way out
In the water, see her swimming
Oooooohh
Oooooohh
Oooooohh
Oooooohh
Oooooohh
