

Heat of the Moment

Asia

I never meant to be so bad to you
One thing I said that I would never do
A look from you and I would fall from grace
And that would wipe the smile right from my face
Do you remember when we used to dance
And incidents arose from circumstance
One thing led to another we were young
And we would scream together songs unsung
It was the heat of the moment
Telling me what my heart meant
The heat of the moment showed in your eyes
And now you find yourself in '82
The disco hot spots hold no charm for you
You can concern yourself with bigger things
You catch a pearl and ride the dragon's wings
'Cause it's the heat of the moment
The heat of the moment
The heat of the moment
The heat of the moment showed in your eyes
And when your looks are gone and you're alone
How many nights you sit beside the phone
What were the things you wanted for yourself
Teenage ambitions you remember well
It was the heat of the moment
Telling me what your heart meant
The heat of the moment showed in your eyes
It was the heat of the moment
The heat of the moment
The heat of the moment showed in your eyes
Heat of the moment
Heat of the moment
Heat of the moment
Heat of the moment...
