

Too Much

Elvis Presley

Well honey I love you
Too much
I need your loving
Too much Want the thrill of
Your touch
Gee I can't love
Too much You do all the living
While I do all the giving
'Cause I love you
Too much Well you spend all my money
Too much
I have to share you honey
Too much
When I want some lovin'
Your gone
Don't you know you're treating
Your daddy wrong Now you got me started
Don't you leave me broken hearted
'Cause I love you
Too much I need your loving
All the time
Need your hugging
Meeting mine Need you near me
Stay real close
Please, please hear me
You're the most
Now you've got me started
Don't you leave me broken hearted
'Cause I love you
Too much Every time I kiss your
Sweet lips
I can feel my heart go
Flip-flip I'm such a fool for
Your charms
Take me back, baby
In your arms Like to hear you sighing
Even though I know you're lying
'Cause I love you
Too much I need your loving
All the time
Need your hugging
Meeting mine Need you near me

Stay real close
Please, please hear me
You're the most Now you've got me started
Don't you leave me broken hearted
'Cause I love you
Too much
