

Duffle Bag video, we shot that bitch on Godby
You was holding a sty-ry, I had more gold than a pirate
They said it ain't about stylin', what they tryin' to kick knowledge
Duffle Bag Boys, yea I can't forget Dolla
In going to get the money, it's some words that I follow
I swallow my pride, smoking endo outside
Straight from Collegrove, I'm reporting live That my dog, that my dog, that my dog, yea, that
my dog, that my dog uhh, that my dog, that my dog, that my dog, that my dog, that my dog,
that my dog, that my dog, yea that my dog
