

# Citizen Erased (Live from Le Zenith)

## Muse

Break me in, teach us to cheat  
And to lie and cover up  
What shouldn't be shared  
And the truth unwinding  
Scraping away at my mind  
Please stop asking me to describe For one moment  
I wish you'd hold your stage  
With no feelings at all  
Open minded  
I'm sure I used to be so free  
Self expressed, exhausting for all to see  
And to be what you want  
And what you need  
And the truth's unwinding  
Scraping away at my mind  
Please stop asking me to describe For one moment  
I wish you'd hold your stage  
With no feelings at all  
Open minded  
I'm sure I used to be so free For one moment  
I wish you'd hold your stage  
With no feelings at all  
Open minded  
I'm sure I used to be so free  
Wash me away  
Clean your body of me  
Erase all the memories  
They will only bring us pain  
And I've seen all I'll ever need
