

Ready or Not (feat. Lecrae)

Britt Nicole

Uh, Britt
Crae
Ready
Or not
YeahLet's go!I tried to cover my shine
I've tried stayin in the lines
I, I, I don't wanna hide
No, not tonightYou, you, you want me to take my light, light
Fit It in your box, right?
I want you to look me in the eye, eye, eye, eye
Ready or not
Here, here, here, here I come
I'a about to show you where the light comes from oh oh
Ready or not, here, here I come
This is who I am, I wont hide it
I'mma take it all over the world
To the young, to the old, every boy and girl
Ready or not, here, here I come
I'mma show the world where the love isI'm not ever selling out
A love out loud is what it's all about
Giving everything to see the lost get found
Yeah, i'ts goin downYou, you, you want me to take my light, light
fit It in your box right?
I want you to look me in the eye, eye, eye, eye
Ready or not
Here, here, here, here I come
I'a bout to show you where the light comes from oh ohReady or not, here, here I come
This is who I am, I wont hide it
I'mma take it all over the world
To the young, to the old, every boy and girl
Ready or not, here, here I come
I'mma show the world where the love isI refuse to keep this buried deep inside of me
Yeah this little light of mine, it's time to let it shine a bit
'Casue there's not point in hiding it,
it's everything I am
The source off all my hope and it's the reason why I stand
And I pledge allegiance to be somebody real
There's no more holding it back, I'm showing them how I feel
'Cause love is more than a word it's a noun, and a verb and hiding it is absurd
Ya heardReady or not
Here, here, here, here I come
I'am bout to show you where the light comes from oh ohReady or not, here, here I come

This is who I am, I wont hide it
I'mma take it all over the world
To the young, to the old, every boy and girl
Ready or not, here, here I come
I'mma show the world where the love is Ready or not
Ready or not
(Let's go)
I'mma show you where the love is
Ready or not
(Yeah!)
Ready or not (ready, ready)
Ready or not.
