## **Higher Place (feat. Ne-Yo) [DJ Fresh Remix]**

## **Dimitri Vegas & Like Mike**

Show me to a higher place

Take me to outer space

I want you to be my friend

We'll make it till the world endsShow me to a higher place

Take me to outer space

I want you to be my friend

We'll make it till the world endsDon't give me love

Governed by life

Limited by

These worldy heights

I want a love

That the universe

Can never stop

Can never hurt

I want a love that will last

After this world is our past

A love that no time could erase

A love in a higher place

Show me to a higher place

Take me to outer space

I want you to be my friend

We'll make it till the world endsShow me to a higher place

Take me to outer space

I want you to be my friend

We'll make it till the world endsDon't sell me short

(Don't sell me short)

On unconditional

(On unconditional)

I want a love

Beyond what we all know

Whooooooo

I want a love that will last

After this world is our past

A love that no time could erase

A love in a higher place

Show me to a higher place

Take me to outer space

I want you to be my friend

We'll make it till the world endsShow me to a higher place

Take me to outer space

I want you to be my friend
