

# Love Moves In Mysterious Ways

Nina

Who'd have thought this is how the pieces fit  
You and I shouldn't even try making sense of it  
I forgot how we ever came this far I believe we have reasons but I don't know where they are  
So blame it on my heart, oh  
Love moves in mysterious ways It's always so surprising  
When love appears over the horizon  
I love you for the rest of my days But still it's a mystery of how you ever came to me  
Which only proves love moves in mysterious ways  
Heaven knows love is just a chance we take We make plans but then love demands a leap of  
faith So hold me close and never ever let me go  
Even though we think we know which way the river flows  
That's not the way love goes, ohh... woh...  
Love moves in mysterious ways  
It's always so surprising when love appears over the horizon  
I love you for the rest of my days  
But still it's a mystery of how you ever came to me  
Which only proves love moves in mysterious ways...  
Like a ticking of a clock  
Two hearts that beats as one  
But I never understand the way it's done... hoh... woh... woh...  
Love moves in mysterious ways  
It's always so surprising when love appears over the horizon  
I love you for the rest of my days But still it's a mystery of how you ever came to me  
Which only proves love moves in mysterious ways...  
Oohh... hoh...  
Love moves in mysterious ways...
