

Lose Your Love

Joe Goddard

Come on you said that you waited

I do that for fear

I don't wanna lose your love

I don't wanna lose your love

I don't wanna lose your love

Don't want to lose your love

Don't want to lose your love

I don't wanna lose your love

Come on you said that you waited

I do that for fear

I don't wanna lose your love

I don't wanna lose your love

I don't wanna lose your love

Don't want to lose your love

Don't want to lose your love

I don't wanna lose your love Come on you said that you waited

I do that for fear

I don't wanna lose your love

I don't wanna lose your love

I don't wanna lose your love

Don't want to lose your love

Don't want to lose your love

I don't wanna lose your love

Come on you said that you waited

I do that for fear

I don't wanna lose your love

I don't wanna lose your love

I don't wanna lose your love

Don't want to lose your love

Don't want to lose your love

I don't wanna lose your love
