

# Peter Pan

## Arcade Fire

In my dreams you're dying  
It wakes me up, and I can't stop crying  
I just wanna live forever  
Keep my promises, keep it together  
In my dreams you're living  
Open your eyes, and I wake up forgiven  
Just a little something to thin the blood  
How can I live with so much love?  
Singing Be my Wendy, I'll be your Peter Pan  
Come on baby, take my hand  
We can walk if you don't feel like flying  
We can live, I don't feel like dying  
Be my Wendy, I'll be your Peter Pan  
Come on baby, ain't got no plans  
Boys and girls got all the answers  
Men and women keep growing their cancers  
Singing In my dreams we're kissing  
It wakes me up, but you've gone missing  
Born so close, but we grow apart  
And all the sickness starts in the heart  
In my dreams you're dying  
It wakes me up, and I can't stop crying  
'Cause it's a date night, dead-eyed American dream  
And it leaves you baby, if you let it leave  
Singing Be my Wendy, I'll be your Peter Pan  
Come on baby, take my hand  
We can walk if you don't feel like flying  
We can live, I don't feel like dying  
Be my Wendy, I'll be your Peter Pan  
Come on baby, ain't got no plans  
Just a little something to thin the blood  
How can I live with so much love?
