

If I Had You

Adam Lambert

So I got my boots on, got the right 'mount of leather
And I'm doing me up with a black color liner
And I'm workin' my strut but I know it don't matter
All we need in this world is some love
There's a thin line 'tween the dark side and the light side baby tonight
It's a struggle gotta rumble trying to find it But if I had you, that would be the only thing that I'd
ever need
Yeah if I had you, then money fame and fortune never could compete
If I had you, life would be a party it'd be ecstasy
If I had you
You you you you you
If I had you
From New York to LA getting high rock n' rollin
Get a room trash it up 'til it's ten in the morning
Girls in stripper heels, boys rolling in Maseratis
What they need in this world is some love
There's a thin line between a wild time and a flat line baby tonight
It's a struggle gotta rumble tryin' to find it But if I had you, that would be the only thing that I
would ever need
Yeah if I had you, then money fame and fortune never could compete
If I had you, life would be a party it'd be ecstasy
If I had you
You you you you you
If I had The flashing of the lights
It might feel so good but I've got you stuck on my mind, yeah
The fashion and the stage it might get me high
But it don't mean a thing tonight
That would be the only thing that I'd ever need
If I had you, then money fame or fortune never could compete
If I had you, life would be a party it'd be ecstasy
If I had you
You you you you you
If I had you If I had you
That would be the only thing that I'd ever need
Yeah if I had you, then money fame and fortune never could compete (never could compete
with you)
If I had you, life would be a party it'd be ecstasy (it'd be ecstasy with you)
If I had you
You you you you you
If I had you
