

# Pushin Forward Back

## Temple of the Dog

Mother, mother found me on her step  
Gracious mother held me to her breast  
Until the day, I started pushin'  
Too late to cry, she turned away, I started pushin'  
I saw no future in this lack, I started pushin'Pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
Baby brother clinging to her hair  
Gracious mother pleading  
Not another soul to bare, he started pushin'  
All my kings have fallen down, I started pushin'  
Fallen heroes feed the ground, I started pushin'Pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward backFalling down, now I know her  
I know, I'll never drown, drown, drown  
Falling down, now I know her  
I know I'll never drown, drown, drown  
I, I was pushin'  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back  
I was pushin', pushin', pushin' forward back
