wish you were gay

Billie Eilish

[Verse 1]

Baby, I don't feel so good

Six words you never understood

I'll never let you go

Five words you never say (Aww)

I laugh alone like nothing's wrong

Four days has never felt so long

If three's a crowd and two was us

One slipped away (Hahahahahahahaha)[Chorus]

I just wanna make you feel okay

But all you do is look the other way

I can't tell you how much I wish I didn't wanna stay

I just kinda wish you were gay

[Verse 2]

Is there a reason we're not through?

Is there a 12 step just for you?

Our conversation's all in blue

11 "heys" (Hey, hey, hey, hey)

Ten fingers tearing out my hair

Nine times you never made it there

I at alone at 7, you were six minutes away (Yay)[Chorus]

How am I supposed to make you feel okay

When all you do is walk the other way?

I can't tell you how much I wish I didn't wanna stay

I just kinda wish you were gay

[Bridge]

To spare my pride

To give your lack of interest an explanation

Don't say I'm not your type

Just say that I'm not your preferred sexual orientation

I'm so selfish

But you make me feel helpless, yeah

And I can't stand another day

Stand another day[Chorus]

I just wanna make you feel okay

But all you do is look the other way

I can't tell you how much I wish I didn't wanna stay

I just kinda wish you were gay

I just kinda wish you were gay

I just kinda wish you were gay
