

Megalovania

Toby Fox

listen and hear a song the birds are singing
sit down a while and watch the flowers blooming
a pleasant breeze flows by leaving a trail of dust
on days like these kids like you y'know y'know should be burning in hell in the darkest place
you dirty brother killer you killed my brother
and when he still believed in you you killed him
and just giving up would be determination Just reset kid, let's forget all about this
start a new route and make it true pacifist
please don't start a new genocide route today
i hate to see my friends perish over and over i call this song megalovania
start a new route frisk i know you're not Chara
if we're still best buddies let's go back to that
and stacking like 30 hotdogs on your head
please don't make me kill you now
i would hate to kill my best buddy over and over
i know you're still in there frisk let's just forget all of this just put down your knife kiddo
you are not Chara frisk stop continuing and please just reset all of this now Welp you almost
had me there kiddo and I'll
just go to Grillby's if you ever hit me I think you know my weakness now ohhhhhh
