

# Miss Camaraderie

Azealia Banks

It's the sound  
the hip and hip and now  
when I hip you  
hip you hound  
Get down or get tied up and twound  
Let me twist you  
twist you pal  
Ya shyer, sh-shy, how can I get you?  
get you out?  
Lets have a listen in, -rottweil(er)  
Let me hit you  
Hit you ow  
A flight, a tryst, -night owl, when I whistle  
whistle -howl  
Pick up when I get Into town, tell me if you'll  
-Be around, to ride with miss camaraderie  
A sight to see, a sound  
what up-what is you with Rottweil lemme get you  
Ayo hound  
Be mild oh listen, lord I mean  
I might've seen I swore  
I saw ya looking, looking all at me  
Admiring Amor-  
Be idol in my heart  
Oh be inspiring and more  
What kind of wizard  
What-what a dream  
A night a scene a town,  
A ride with miss camaraderie  
An odyssey, oh wow  
Say what- what is you with?  
Rottweil, Ima let you  
In my house  
Politer high society  
Attire, tea, a style  
Look how ya looking looking now  
Let me see you  
See you smile  
A smilers sweetest smile  
Oh mister, wider - me oh wow
