

Soulfly

Soulfly

*we sat outside the studio at night,
Among a few candles,
And closed our eyes for a minute.
After that, we jammed straight from our hearts.
We didn*t play for ourselves,
But for the ones no longer with us in flesh,
But always with us in spirit.

God bless.

Until we meet again.

Soul fly... fly free!* - max c.

Sitar: max c.

Lead guitarz: jackson b.

Acoustic bazz: marcello d.

Percussion: roy m. / jorge du peixe / gilmar bolla oito / ross r. / chuck johnson
