Show Me the Way Back to Your Heart

Brian McKnight

I remember days and nights were never cold Had you in my life, I had you there to hold And I remember love warm as a summer day But I lost you And I lost my way Now I'm in the rain Begging you please, pleaseBaby, won't you show me the way back to your heart Let me see a sign to know if I'm close or far Lead me back to the road That leads back to your arms Back to your arms Every night another lonely street I walk down alone Searching for a light Your light to lead me home Leave a candle in the window And let it shine for me Take my hand and take these tears away I can't take the pain I'm on my knees, begging you pleaseBaby, won't you show me the way back to your heart Let me see a sign to know if I'm close or far Lead me back to the road That leads back to your arms Back to your armsTake my hand Take me in your arms I'm out in the dark Down on my knees, begging you please Show me the way back to your heart Let me see a sign to know if I'm close or far Lead me back to the road That leads back to your arms Back to your arms Back to your arms Song Discussions is protected by U.S. Patent 9401941.
