## Bhad Bhabie

### Hook

I know you gone be the one that's gone hold me down  
When it's time to put in work you know I'm always 'round  
Tote that Glock, hold that work  
Baby, do you trust me?  
Got the streets in a lock  
I'ma make you love me  
Baby, do you trust me?  
Do you trust me?  
Baby, do you trust me?  
Baby, do you trust me?  
Got the streets in a lock  
I'ma make you love me  
I'ma make you love me  
Baby, do you trust me?  
Come in close and hug me  
Tell that hoe don't test me  
I don't play 'bout mines, watch this shit get messy  
Tote that Glock, hide it in my spot  
Bitch, stop playing, I'ma leave you hot  
Rubber bands wrapped around these knots  
Bitch, stop playing, watch me kill the parking lot
