

Tomorrow Never Comes

[Dot Allison](#)

You're sailing away,
to another shore
my heartache today,
i can't tell you anymore
And i thought i saw your shadow
in the street today
but that was yesterday,
oh that was yesterday
With a little courage, in time
you might forgive me
with a little loving, in time
you might forgive me
Believe me i know
it's been hard for you
there's never an easy way
to let it go
And i dreamt that you were telling me
you dreamt of me
but now i'm waking up,
i think i'm waking up
With a little courage, in time
you might forgive me
with a little loving, in time
you might forgive me
And i thought i saw your jacket
in my room today
but that was yesterday,
oh was that yesterday?
With a little courage, in time
you might forgive me
with a little loving, in time
you might forgive me
