

# Tomorrow Never Comes

[Dot Allison](#)

You're sailing away,  
to another shore  
my heartache today,  
i can't tell you anymore  
And i thought i saw your shadow  
in the street today  
but that was yesterday,  
oh that was yesterday  
With a little courage, in time  
you might forgive me  
with a little loving, in time  
you might forgive me  
Believe me i know  
it's been hard for you  
there's never an easy way  
to let it go  
And i dreamt that you were telling me  
you dreamt of me  
but now i'm waking up,  
i think i'm waking up  
With a little courage, in time  
you might forgive me  
with a little loving, in time  
you might forgive me  
And i thought i saw your jacket  
in my room today  
but that was yesterday,  
oh was that yesterday?  
With a little courage, in time  
you might forgive me  
with a little loving, in time  
you might forgive me
