

# Something

Cary Brothers

And you think you're alone as if I wasn't there  
You're losing your faith in me  
It's a car, it's a crash, it's a death, and you're scared  
You just can't escape the sceneHush now you're insane  
Touch my skin, come back again  
The sky is fallingIt's something you cannot fake  
This something you will not shake  
Just walk away before I look at you  
It's something only you can take  
All your words, it's a lie to yourself, it's a home  
There's so much that you can't see  
It's a bomb that can kill everyone, and it blows  
You can't even hear me screamHush now you're insane  
Touch my skin, come back again  
The sky is fallingIt's something you cannot fake  
This something you will not shake  
Just walk away before I look at you  
It's something only you can takeThis is only feeling with no thought  
Is this love?  
What happened to the promises I bought?  
Is this love?  
It's something you cannot fake  
This something you will not shake  
Just walk away before I look at you  
It's something only you can take
