

Funeral

Lukas Graham

When it's my time, I know you'll tailor a new suit for me
and buy a new tie, so I'll look this good.

Boy, you were right.

You said "Only the good ones die young"

Never in my life did I look this good. Everyone welcome to my funeral

Everyone I know, better be wasted

You know I would pour one up

'cause the way I lived, it was amazing

Uh-uh-uh

All of my friends are in the room

Uh-uh-uh

Party for me - I'd party too.

You're all on my tap

bartenders pour out the whiskey's on me

and don't be so sad

Cause I lived this good

we were closer (closer)

now it's over (over)

Oh it doesn't mean it's closure

I see you (see you), and I love you (love you)

I'll be watching out above you. Everyone welcome to my funeral

Everyone I know better be wasted

You know I would pour one up

'cause the way I lived, it was amazing

Uh-uh-uh

All of my friends are in the room

Uh-uh-uh

Party for me - I'd party too.

Uh-uh-uh

All of my friends are in the room

Uh-uh-uh

Party for me - I'd party too.

Everyone welcome to my funeral

Everyone I know better be wasted

You know I would pour one up

'cause the way I lived, it was amazing. Welcome to my funeral

Everyone I know better be wasted

You know I would pour one up

'cause the way I lived, it was amazing. Welcome to my funeral

Everyone I know better be wasted

You know I would pour one up

'cause the way I lived, it was amazing

So welcome to my funeral
Welcome to my funeral.
