## La Sagrada Familia

## **The Alan Parsons Project**

(Lead vocal - John Miles)Voiceover: In recent times, there is no one at all who can approach Antonio Gaudi. He started a new cathedral, in Barcelona, it is called La Sagrada Familia or the Holy Family... The sad thing is they could try to finish it, but I don't think they will do it. Who knows where the road may lead us, only a fool would say Who knows if we'll meet along the way Follow the brightest star as far as the brave may dare What will we find when we get thereLa Sagrada Familia we pray the storm will soon be over La Sagrada Familia for the lion and the lamb Who knows where the winds may blow us, only a fool would say Who knows if we'll ever reach the shore Follow a rising sun with eyes that may only stare What kind of fire will burn us there? What kind of fire? Only a fool would sayLa Sagrada Familia the wind has changed the storm is over La Sagrada Familia for the lion and the lamb La Sagrada Familia we thank the lord the danger's over La Sagrada Familia there's peace throughout the landUnder clear blue skies our voices rise in songs of glory And for all those years our eyes and ears were filled with tearsWho knows where the world may turn us, only a fool would say Who knows what the fates may have in store Follow the light of truth as far as our eyes can see How should we know where that may be? How should we know?Then the angry skies, the battle cries, the sounds of glory And for all those years our eyes and ears were filled with tears Who knows where the road may lead us, only a fool would say Who knows what's been lost along the way Look for the promised land in all of the dreams we share How will we know when we are there? How will we know? Only a fool would sayLa Sagrada Familia the war is won the battle's over La Sagrada Familia for the lion and the lamb La Sagrada Familia we thank the lord the danger's over La Sagrada Familia behold the mighty hand La Sagrada Familia the night is gone the waiting's over La Sagrada Familia there's peace throughout the landUntil the next time Until the next timeLa Sagrada Familia
