

# Shortline

**RY X**

- Shortline -  
Rushing water  
Unkeeps the colour  
Turn the cheeks in shadow  
At the shortlineWho am willing  
Undress your heart string  
Follow the thick thing boy  
On your shortline  
Let's run to shelter  
From violence for us that haven't  
Hold our tounes and feel our lungs  
On the shortline  
On the shortlineOn the shortline  
On the shortlineOn the shortlineOn the shortlineThis is an amazing song- Love Lizette
