## **Come Back to Me (feat. Tove Lo)**

## **Urban Cone**

On the subway home

I lost you in a fever

When did we grow old

Million things we done

We never stopped at nothing

When did we grow oldCome, come

Come back to me

Come back to me again

Come, comeCome back to me

Come back to me again

When you gonna

Come, come

Come back to me

Come back to me again

Come, come

Come back to me

Come back to me againI've been yours for years

And now were back at nothing

When did we grow old

A million ways that IAnd only I know you

When did we grow old

When you gonna

Come, come

Come back to me

Come back to me againCome, come

Come back to me

Come back to me again

Please, won't you take me home?

I don't wanna let you goPlease, wont you take me home?

I don't wanna let you go

When you gonna

Come, comeCome back to me

Come back to me again

When you gonnaCome, come

Come back to me

Come back to me again

When you gonna

Come, come

Come back to me

Come back to me again

When you gonna

Come, come
