

Careless Whisper

Dave Koz

I feel so unsure
As I take your hand and lead you to the dance floor
As the music dies
Something in your eyes
Calls to mind the silver screen
A dark and sad goodbye
I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
Should've known better than to cheat a friend
And waste the chance that I've been given
So I'm never gonna dance again
The way I dance with you
Time can never mend
The careless whispers of a good friend
To the heart and mind
Ignorance is kind
But there's no comfort in the truth
The pain is all you find
I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
Should've known better than to cheat a friend
And waste the chance that I've been given
So I'm never gonna dance again
The way I danced with you
Tonight the music seems so loud
I wish that we could lose this crowd
Baby it's better this way
We'd hurt each other with the things we wanna say
We could have been so good together
We could have lived this dance forever
And now who's gonna dance with me
Please stay (Now that you're gone)
Now that you're gone
Oh I go by, yeah
(Now that you're gone)
Now that you're gone
Why you had to leave me alone
I'm never gonna dance again

Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
Should've known better than to cheat a friend
And waste the chance that I've been given
So I'm never gonna dance again
The way I danced with you
